

Learn Why Deloitte Picked Convergent Dental as One of the Top 100 Fastest Growing Companies in the Country

PRACTICE GROWTH OF 30-50% WITH SOLEA

1.

Dramatic efficiency gains from reliably anesthesia-free and blood-free hard and soft tissue procedures

2.

Expand your offering and increase patient acceptance with virtually blood-free and pain-free soft and osseous tissue procedures

3.

Increase new patient flow and retention with Solea's unique experience

1-844-GoSolea GoSolea.com

Join us for a hands-on education session with Solea.

A Solea doctor will be available to answer all your clinical questions.

**Thursday, October 18th
6:00-8:00pm**

**Beverly Hills Dental Laboratory
9100 Wilshire Blvd, Ste 400 (West Tower)
Beverly Hills, CA 90212**

Learn how this all-new technology is accelerating production growth at practices like yours.

- Leverage the versatility – 100 unique procedures you can perform with one instrument
- Experience this for yourself in a hands-on learning environment
- Talk to an expert who has integrated Solea in their practice

**Please RSVP with Brent Biedel
